

BIRDS OF THE ESTUARY

April 21, 2021 at 7:00 pm

Let's learn together about the different kinds of birds that use the estuary's beaches, dunes, tide flats, and marshes for foraging and roosting. David Moon, Community Science & Coastal Resilience Manager for Mass Audubon North Shore, will take on us a virtual bird tour and provide useful tips for bird identification.

This is a virtual meeting
Registration is free but required

We are offering on a first come basis
25 free wooden birdhouse kits – sign up

This project is funded, in part, by NOAA's Office of Coastal Management under the Coastal Zone Management Act in conjunction with the NH Department of Environmental Services Coastal Program
